

Linguolink - Demo Privacy Policy

This Privacy Policy describes how Linguolink ("the Service") collects, uses, and protects user data. This document is for demonstration purposes only.

1. Data We Collect

We collect minimal personal information necessary to operate the Service, such as user email, team name, and usage statistics. Authentication is handled through Clerk, and billing information is processed by Stripe.

2. How We Use Data

Collected data is used solely for providing and improving the Service, managing user access, and processing payments. We do not sell or share personal information with third parties for marketing purposes.

3. Data Storage

Data is hosted on secure third-party providers (Vercel and Neon DB). These providers may store data in the EU or US regions.

4. Cookies and Tracking

Linguolink may use cookies to improve user experience, manage sessions, and analyze usage patterns. Users can disable cookies in their browser settings.

5. User Rights

Users may request access to or deletion of their data by contacting the Developer. This process may require account verification.

6. Contact

For any questions or concerns about this demo Privacy Policy, please contact the Developer through the official Linguolink website (<https://linguol.innk/>).
